Dear SSUNS Faculty Advisors,

Welcome to SSUNS 2026! Our goal is to make the financing experience for our conference simple and efficient for everyone. As such, here is our SSUNS 2026 policy that outlines key deadlines and provides clear guidelines on payment methods and standard operating procedures.

DELEGATION SIZE CHANGE & REFUND POLICY

Registered delegations may adjust their delegate numbers free of charge prior to the payment of their invoice, provided that the original registration was completed on or before September 22nd, 2026. Once payment has been received, any changes to delegation size requested on or before September 22nd, 2026, will be subject to a ten percent (10%) administrative fee on the value of the change. Changes requested after September 22nd, 2026, will be subject to an administrative fee of twenty-five percent (25%) on the value of the change. For registrations completed after September 22nd, 2026, the applicable administrative fee will apply to all changes in delegation size, irrespective of whether the invoice has been settled at the time of the request.

All refund requests arising from changes to delegation size must be submitted no later than October 12th, 2026 (the "Refund Request Deadline"). Requests received after this date will not be eligible for monetary reimbursement; any outstanding amounts will instead be issued as credit toward future SSUNS conferences. No reductions to delegation size will be permitted after October 29th, 2026, and any changes requested beyond this date will not be eligible for reimbursement or credit. In the event of extenuating circumstances, delegations seeking a late change to their delegation size must contact the Under-Secretary-General of Finance directly to explain the situation. Any such requests will be reviewed on a case-by-case basis, and SSUNS reserves the right to approve or deny exceptions at its sole discretion.

Any credit issued by SSUNS is valid for use toward one (1) future conference only and must be applied within two (2) iterations of the conference at which it was issued. For example, credit issued in connection with the 2025 conference may be applied to either the 2026 or 2027 edition of SSUNS, but will expire thereafter. Credit that remains unused beyond this window will be forfeited and is non-refundable.

Special amendments to the registration deadlines outlined above may be considered for delegations that have full payment available at the time of registration.

If applying for financial aid, please apply as soon as possible after registering so we can accommodate you promptly.

PAYMENT PROCEDURES

1. The deadlines for the 3 rounds of financial aid applications are **June 8th, September 8th, and October 16th**.
2. The last date to accept payment will be **October 23rd, 2026**. Delegations will not receive character assignments until payment confirmation is received.
3. Invoices must be paid within 30 business days of the invoice issue date.
4. If payment is made by cheque, a photo of the cheque must be sent to our SSUNS USG Finance email (finance@ssuns.org) to confirm it has been sent.
